## DIRECTORY

The E.L.J. Directory is intended to be an informative guide to entertainment oriented law firms, located mainly in California. The list is based on oral and written responses to E.L.J. questionnaires sent out in February 1983 and responded to between February and March 1983. We apologize for any omitted firms and welcome suggestions which will enable expansion of the list in the future. While we have meticulously reported the responses to our questionnaire, this Directory is meant to be only a guide. No claims are made as to the accuracy of the information printed.
