I am delighted to provide you with a copy of this year's Honor Roll of Donors. It includes the names of thousands of alumni, friends, corporations, foundations and other organizations who made a gift to the Law School during the 2013 fiscal year (June 1, 2012 to May 31, 2013). I remain grateful to everyone who chose to direct their philanthropic support to the Law School.

Every gift is valued -- from restricted dollars that support scholarships, centers, programs and alumni events, to unrestricted support, which provides Dean Victor Gold the flexibility to direct funding where the need is greatest.

Annual support is vital to the Loyola community and our future. Please make your tax-deductible gift today to the Law School's Juris Fund (Annual Fund) by visiting alumni.lls.edu or contacting me directly at 213.736.1046. I look forward to expanding next year's Honor Roll to include the names of thousands of first-time donors to the list of loyal and consistent supporters who help make Loyola Law School great.

Again, thank you to those alumni and friends who made a gift in 2012-13. We could not have done it without you!

Sincerely,

Carmen Ramirez
Executive Director of Advancement
Loyola Law School

Dean's Address

Loyola Law School's ability to advance and thrive is made possible, in no small part, through gifts from alumni and friends. We are deeply grateful for the loyal support our donors have continued to provide even during challenging economic times.

With annual tuition exceeding \$40,000 at every California law school, scholarships are essential to attracting the most talented students and providing opportunities for students from diverse backgrounds, regardless of means. This is why scholarships are Loyola's top fundraising priority.

Scholarships transform the lives of students who one day will be lawyers who transform society. I want to share with you some comments from a recent graduate and a current student about how scholarships made a difference in their lives.

"My scholarship gave me the mental and emotional freedom to wholly embrace my studies, work and public service commitments. It allowed me to truly experience (from the receiving end) the act of gracious giving and continues to inspire me to pay it forward, to give graciously to others, in all forms: monetary support, mentorship and public service."

— A graduate from the class of 2012

"For years, I have dreamed of attending law school and being able to see a career as an attorney in my near future. With the unfortunate realities of the world, I became somewhat disillusioned with attending law school because I thought I would be unable to afford my tuition. The day I received my scholarship offer from Loyola was a very exciting one because I was able to really see myself reaching this goal, rather than having it remain a distant dream. I am extremely grateful for your donations, and I promise you that I will work hard every day to make sure I get the most out of my education."

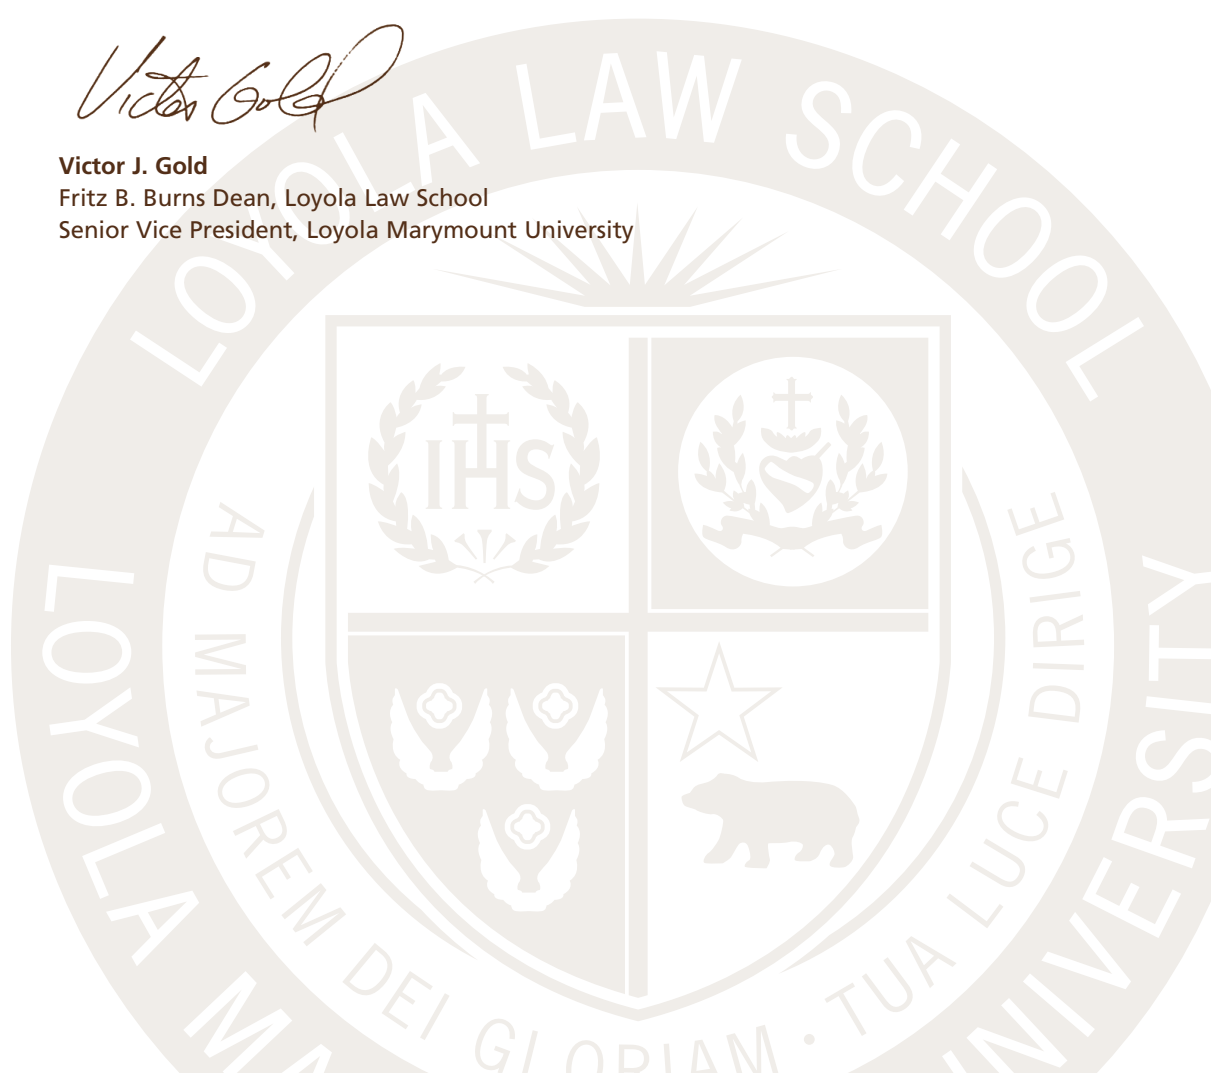

— A student from the class of 2015

I look forward to working with you over the coming year to create more scholarships, reduce class size and build new programs in intellectual property law, health law, trial advocacy and business law that emphasize real-world, practical experience for our students.

With sincere gratitude,

Victor J. Gold
