Self Care

- Burnout happens to all, it’s part of the process
- Preventative care –”share the love”
- One person can do a lot more with staff support
- Program development by staff team not just one individual
Cross Training-Staff

- Staffs diverse skillset and interest were expected to be developed
- Staff member’s interest and strengths were embraced
- Staff skillset were utilized & success was shared among the entire team
Cross Training Staff Cont.

• Incentives: promotional opportunities, being part of a cohesive team, inclusion of all staff, communication, constructive work environment, community impact…
Cross Training
Effect on Community

• Cohesive team work reflected
• Patrons took ownership of the library
• Word spreads - “for the community by the community”
Minority Role Model

- Stereotypes
- Life long impact
- All members/ all ages
- Community impact
