Lit Review

Hey guys! I'm Professor Scheibel. Welcome to Comm 204!

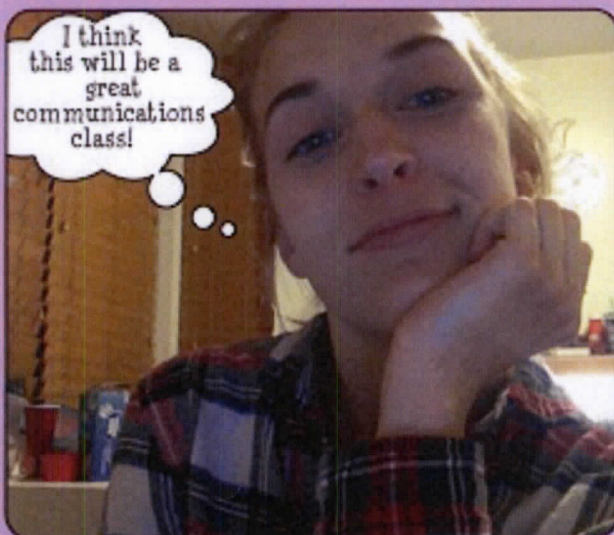

I love Music and am in the band at the Lair!

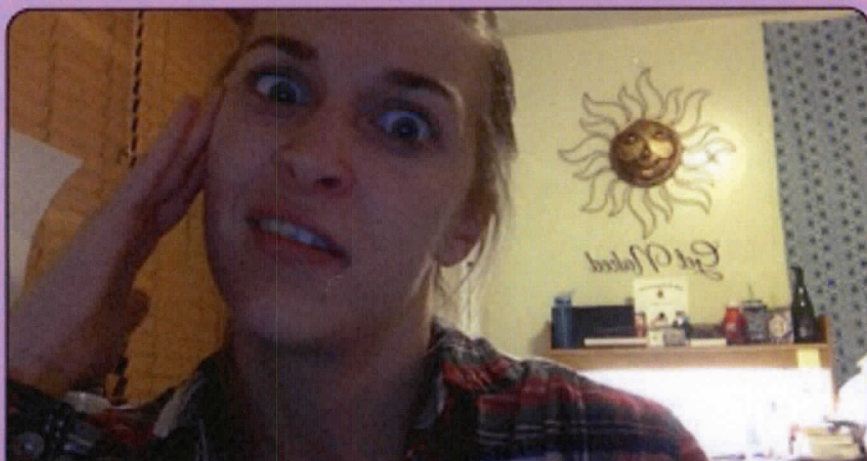

Wow this looks like a fun class! The teacher seems nice and cool!

Hey, I see a couple of familiar people!

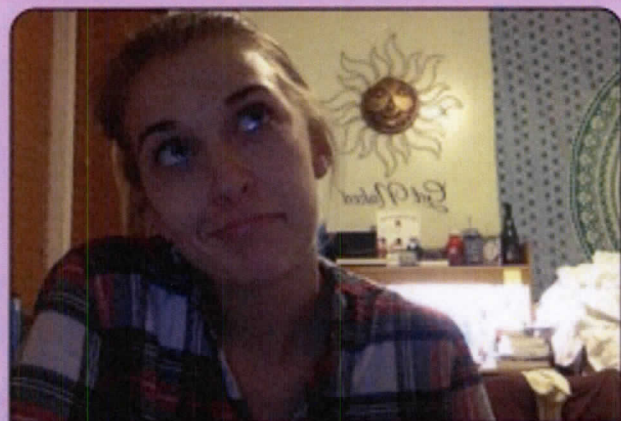

I think this will be a great communications class!

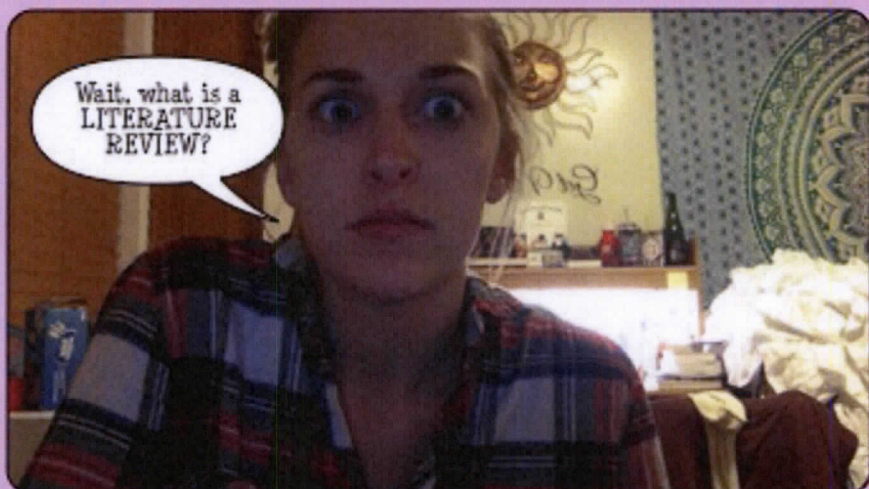

Wait, what is Comm 204 even about?

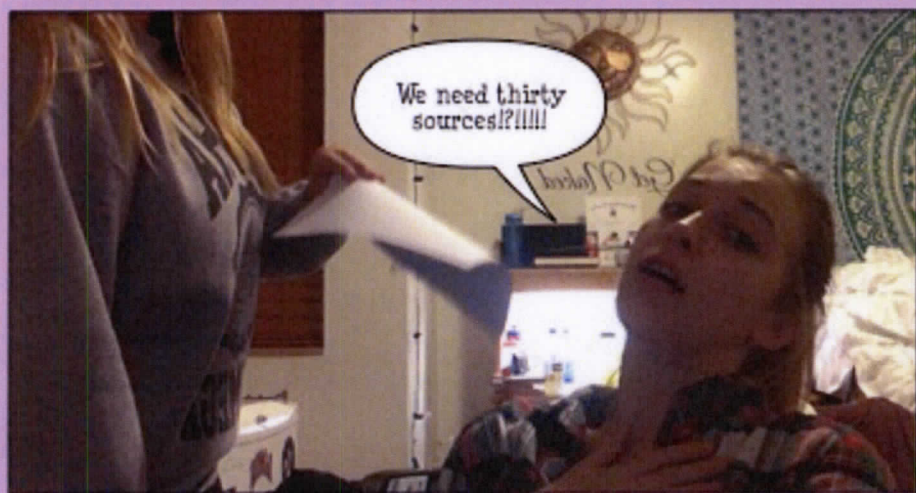

Lit Review

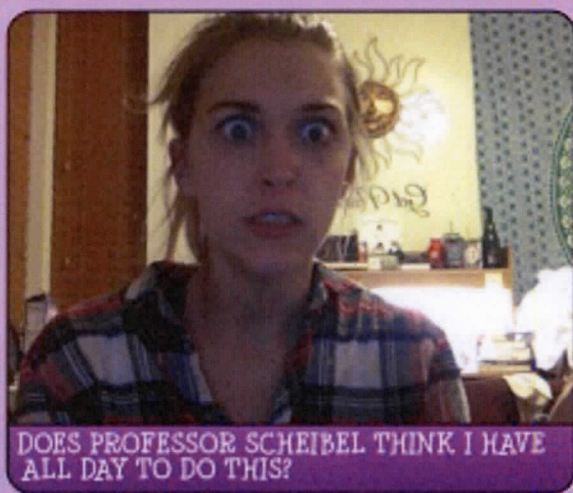

Okay, the assignments for this class definitely look like they're interesting and pretty fun!

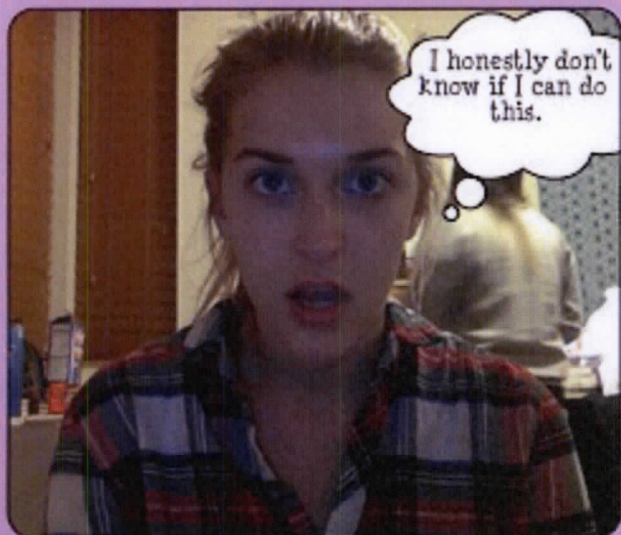

Wait, what is a
LITERATURE
REVIEW?

We need thirty
sources?!!!!!

DOES PROFESSOR SCHEIBEL THINK I HAVE
ALL DAY TO DO THIS?

I honestly don't
know if I can do
this.

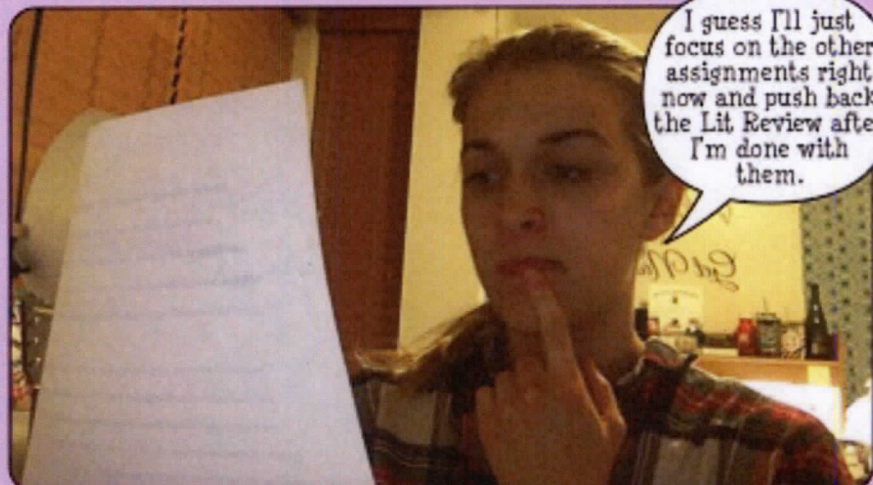

Should I drop?

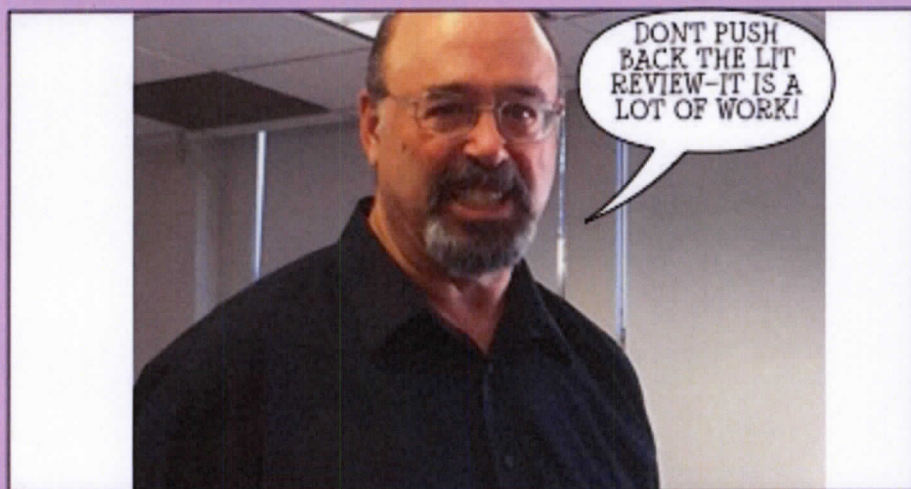

Lit Review

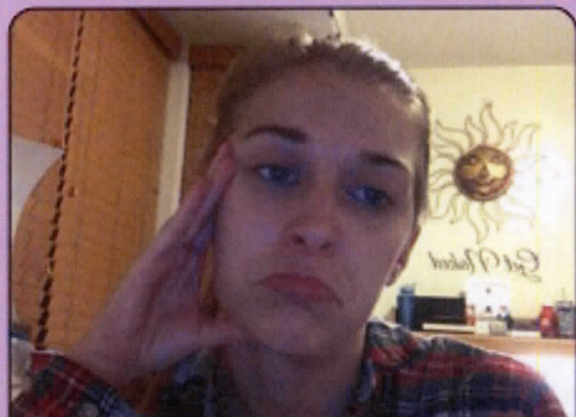

There are so many assignments in addition to the Literature Review that are due in this class!

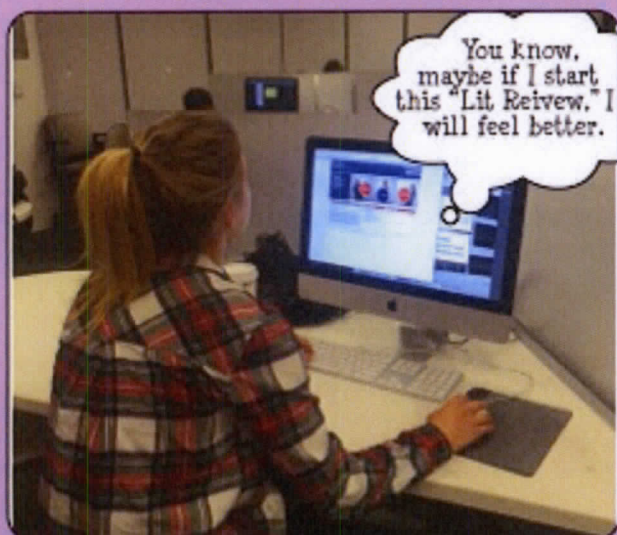

I guess I'll just focus on the other assignments right now and push back the Lit Review after I'm done with them.

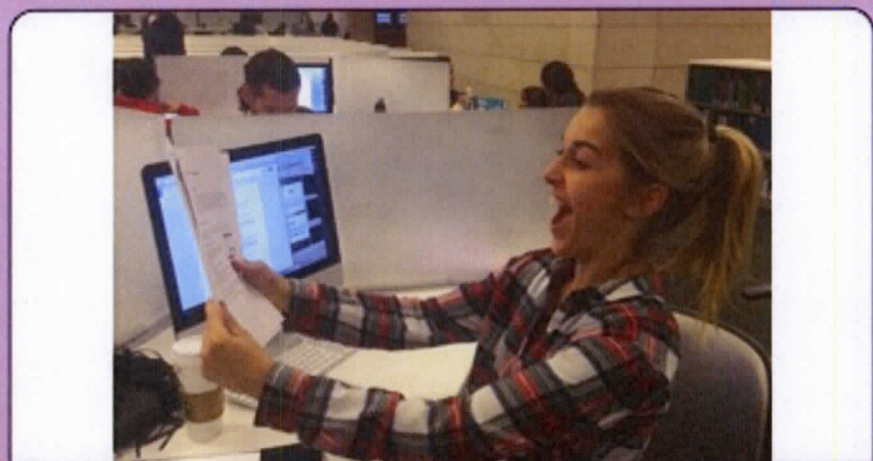

DONT PUSH BACK THE LIT REVIEW-IT IS A LOT OF WORK!

I SPOKE TOO SOON!

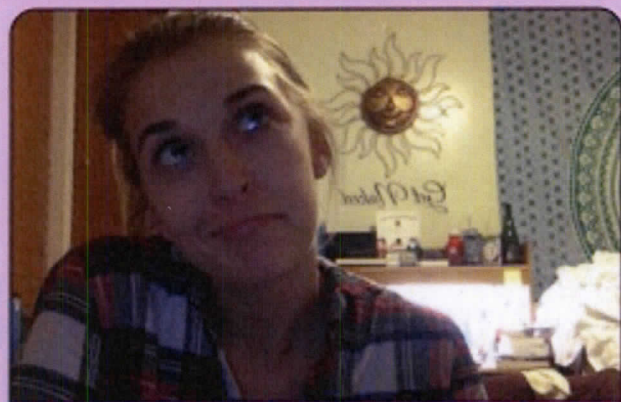

You know, maybe if I start this "Lit Reivew," I will feel better.

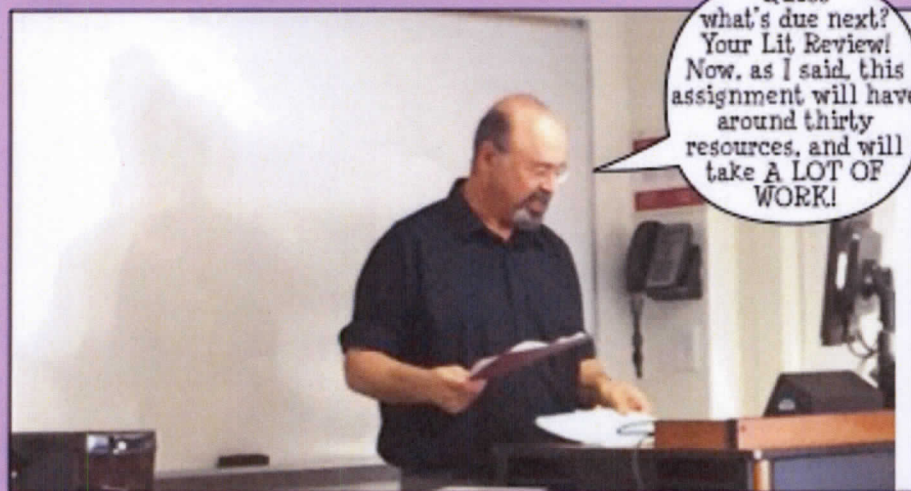

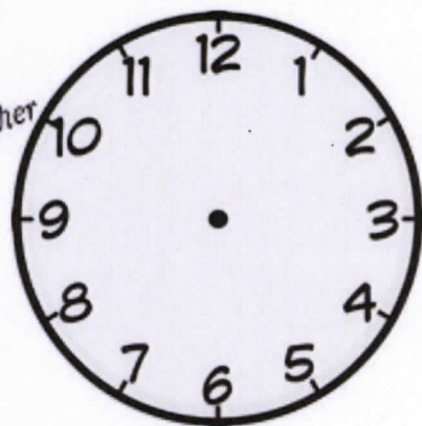

Yay! I got three sources to start my lit review!

Lit Review

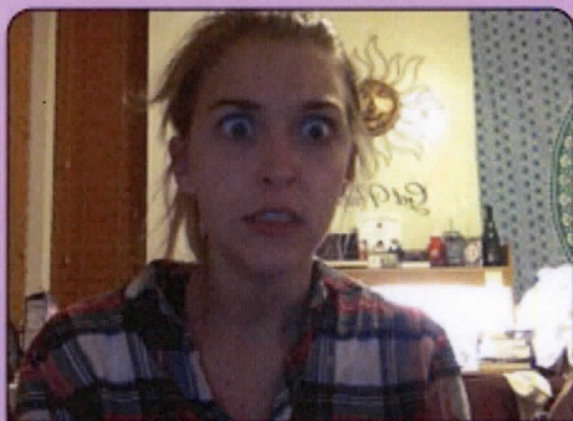

I'm going to do the smaller assignments now like the Field Notes Assignment and Arguments Paper!

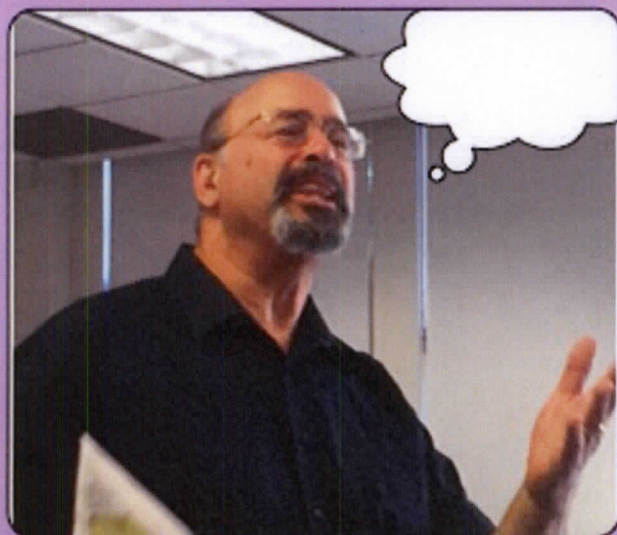

Two Months Pass by ... and Anna turns in The Field Notes, Argument Paper and all of the other assignments.

Guess what's due next? Your Lit Review! Now, as I said, this assignment will have around thirty resources, and will take A LOT OF WORK!

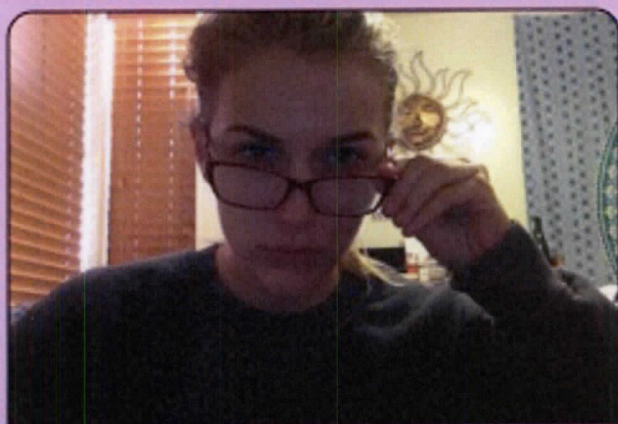

WHEN WILL THIS WORK END??

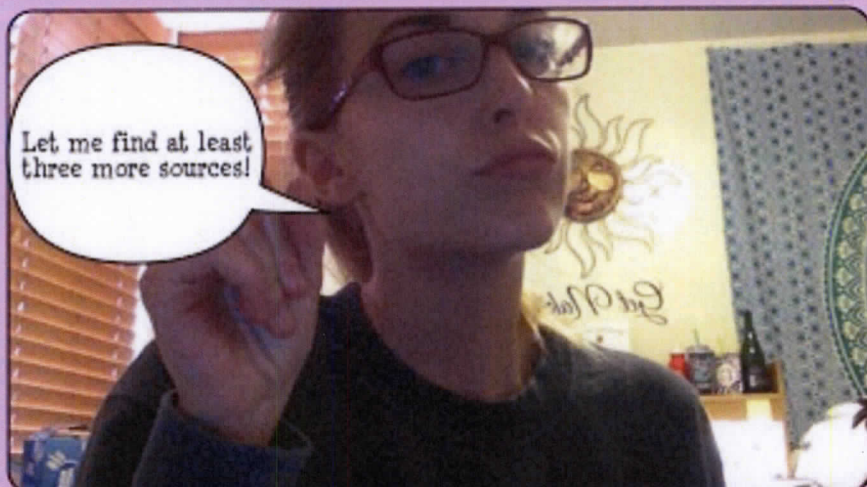

Okay good! I have a month until it is due ... I shouldn't worry for I have a lot of time to do this assignment!

Lit Review

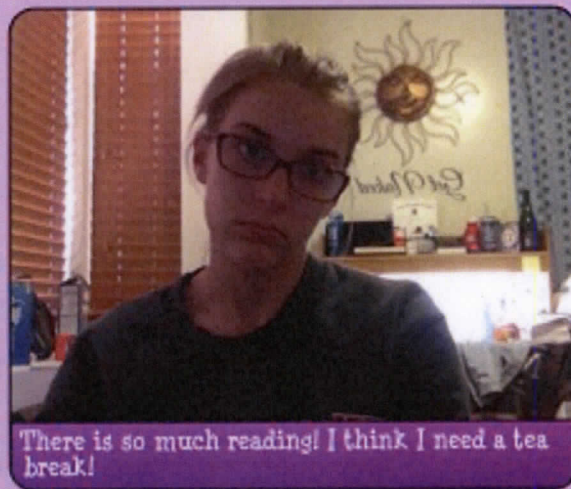

Alright, let's get started!

Let me find at least three more sources!

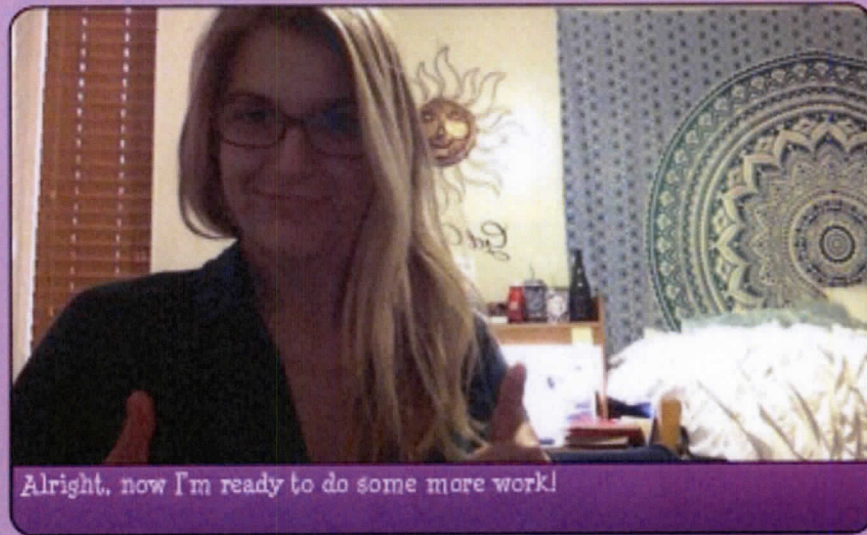

Yay I got them! I'm going to read them now...

There is so much reading! I think I need a tea break!

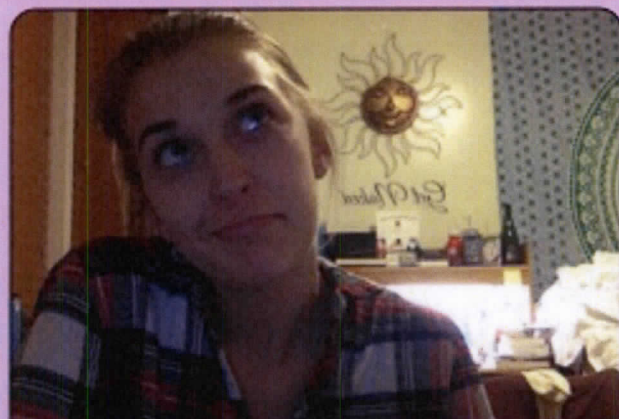

Hello! Can I have some mint tea?

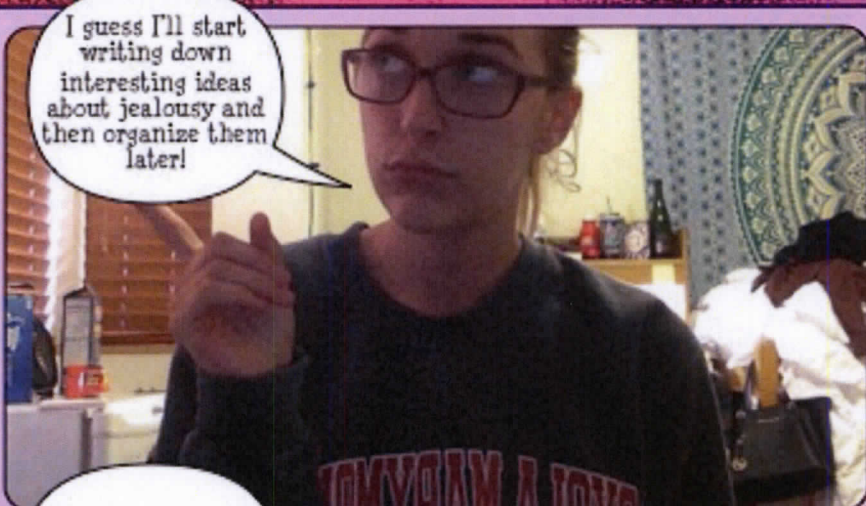

Alright, now I'm ready to do some more work!

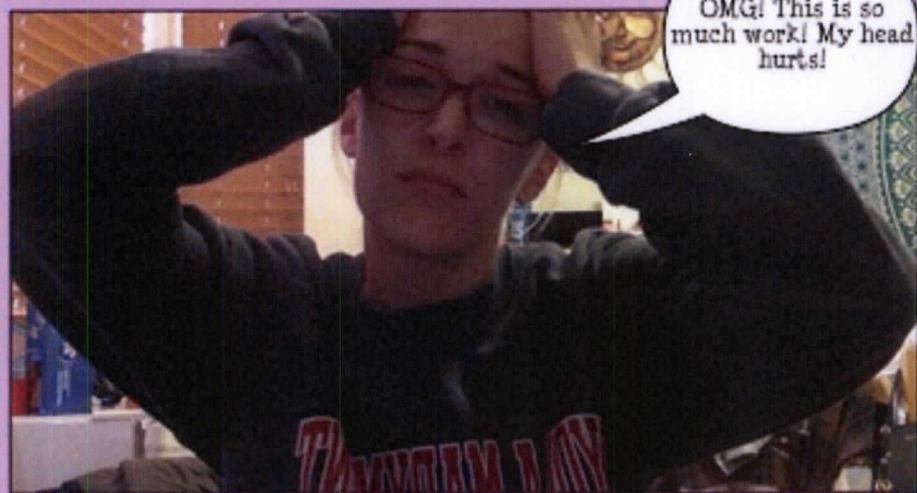

Lit Review

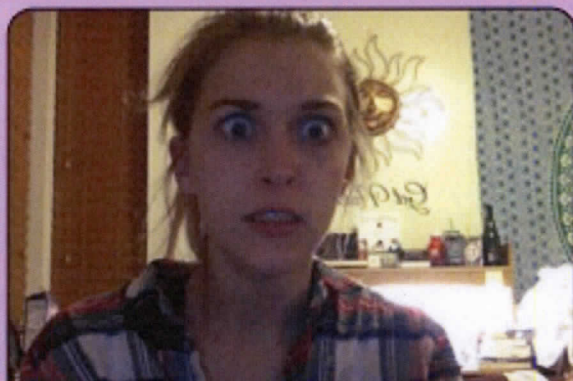

Let's see, I need to start broad and narrow in as I go...

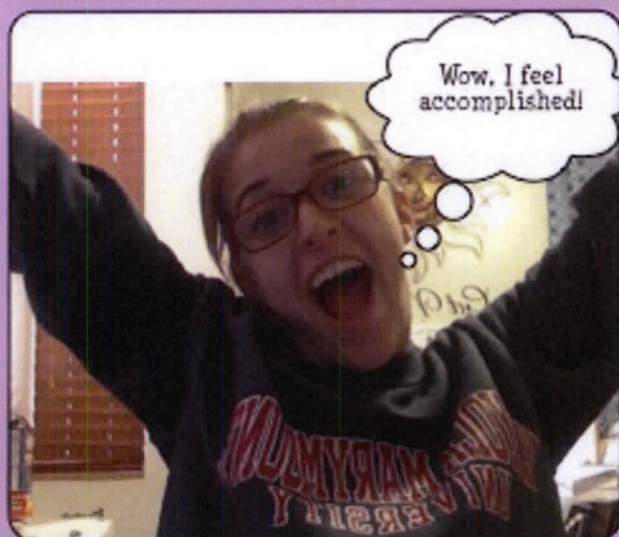

I guess I'll start writing down interesting ideas about jealousy and then organize them later!

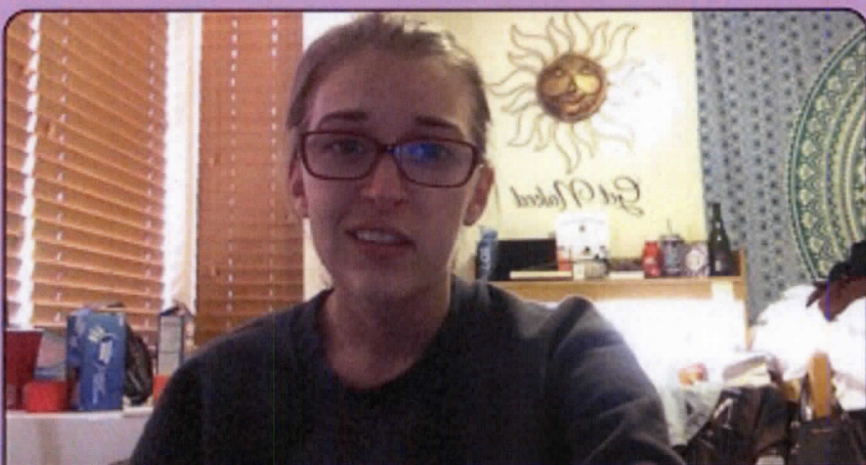

OMG! This is so much work! My head hurts!

Okay, now I have all of my ideas, I'm going to organize them and funnel them to the question: Does Facebook affect jealousy?

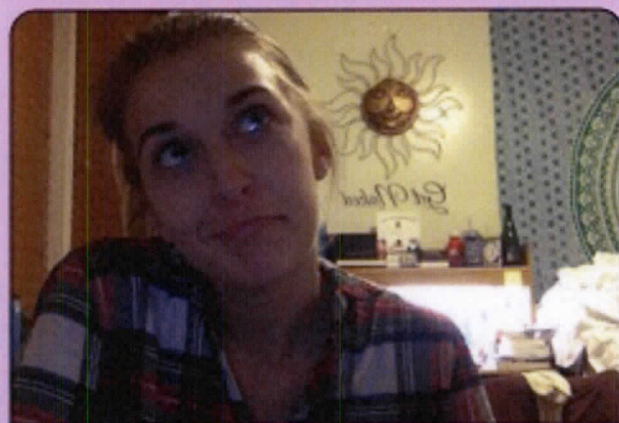

Wow, I feel accomplished!

Wait, I still have to actually write the paper!

Lit Review

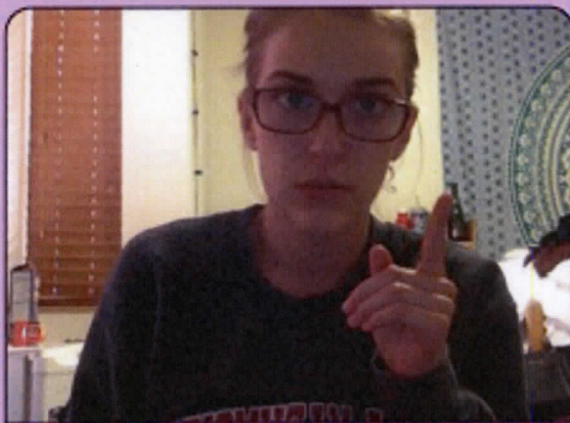

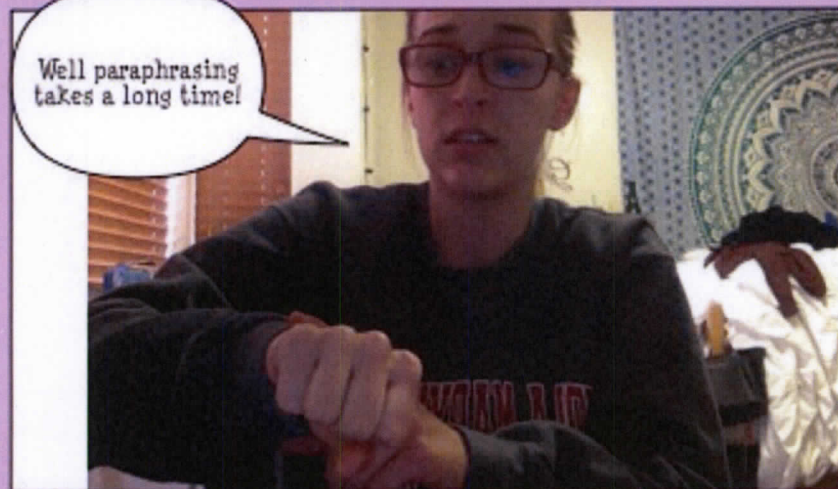

Okay, so I'm going to take a look at the first idea ... what does jealousy look like?

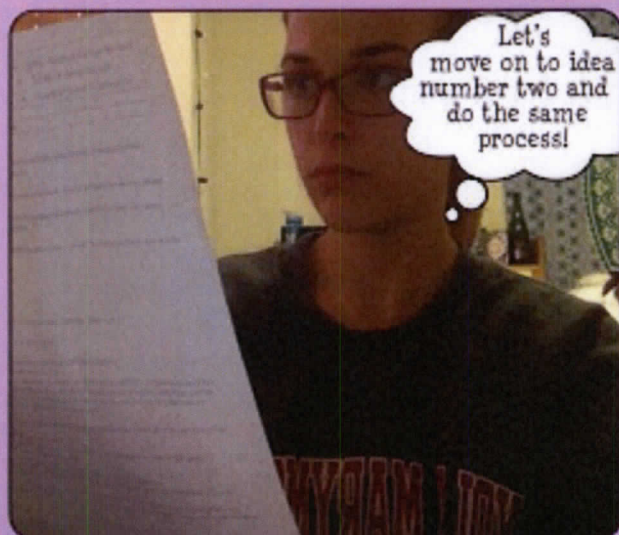

Hmm ... Okay so I'm going to figure out what this means and paraphrase it!

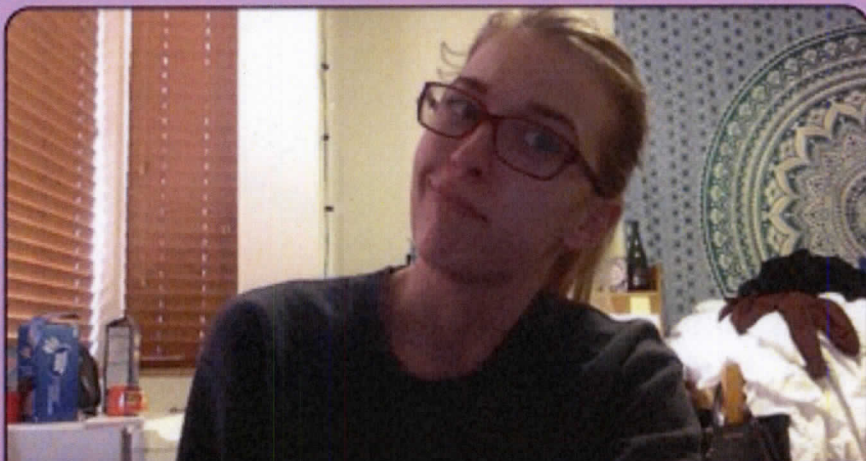

Well paraphrasing takes a long time!

Okay, now I am going to explain this idea in further detail ...

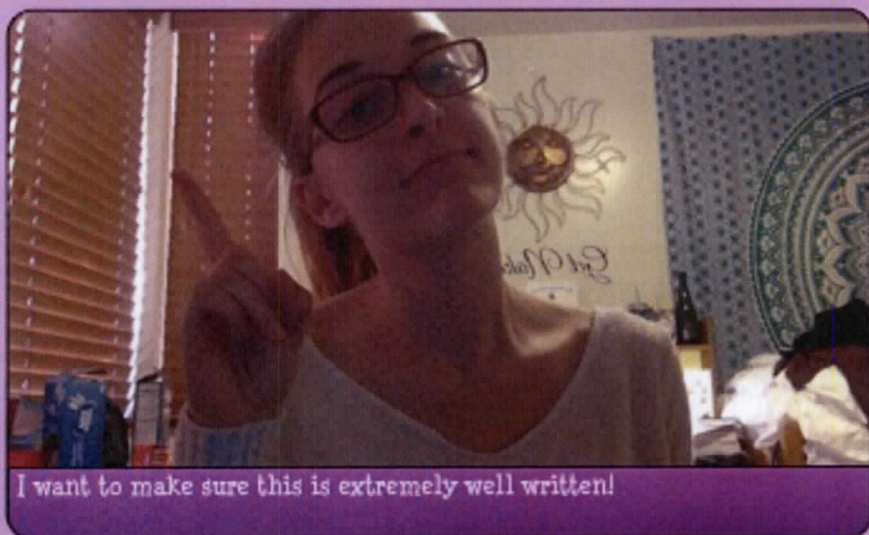

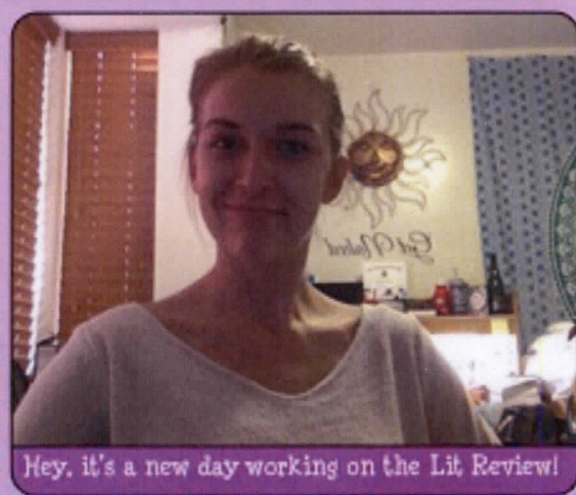

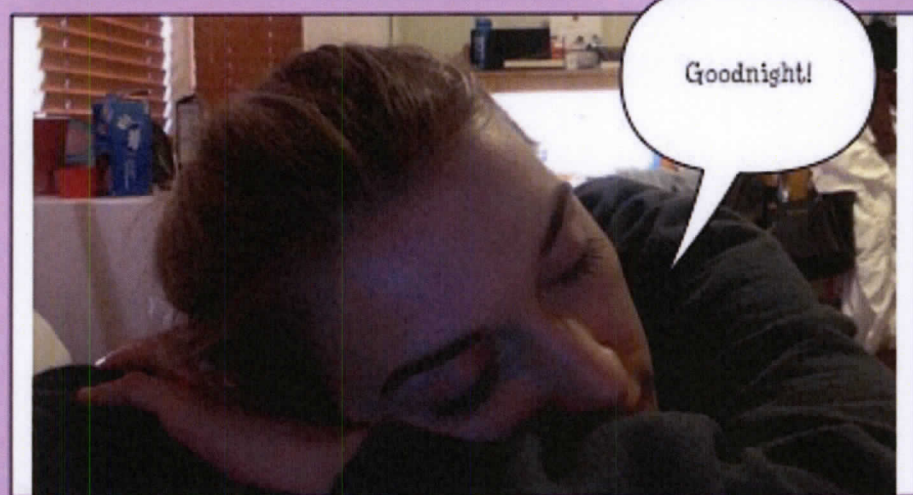

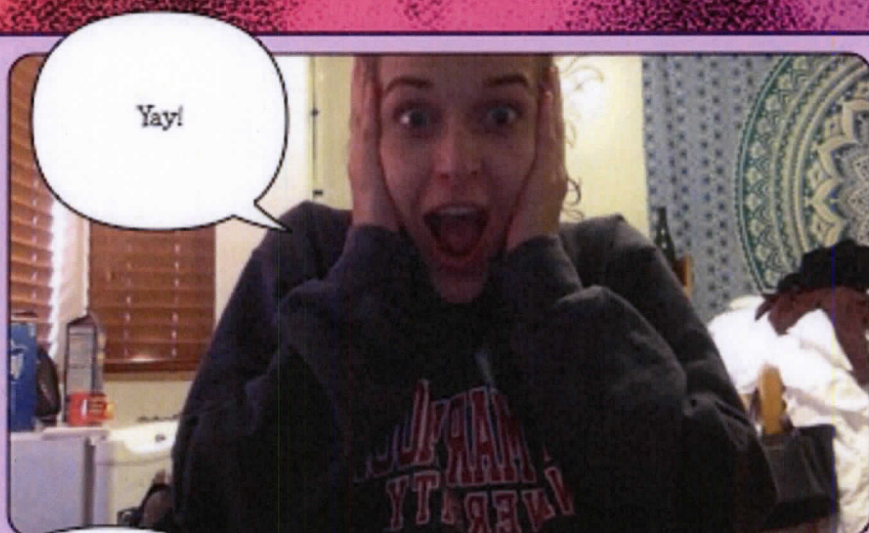

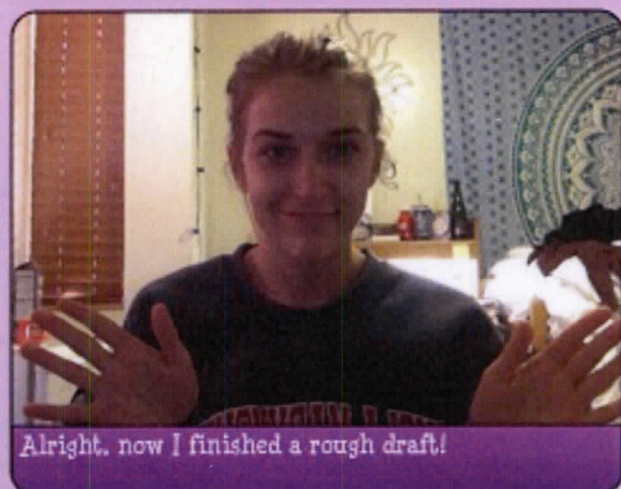

Let's move on to idea number two and do the same process!

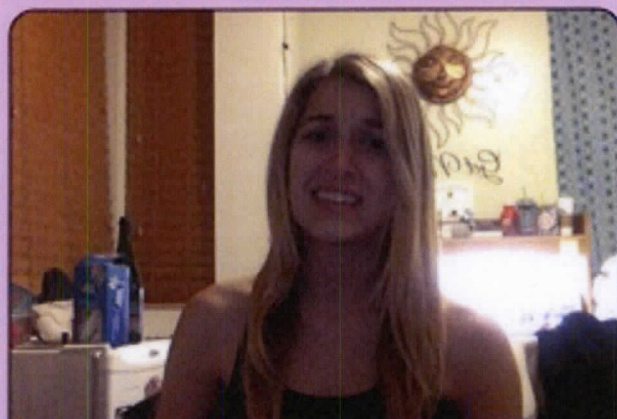

Hey! This is sort of fun!

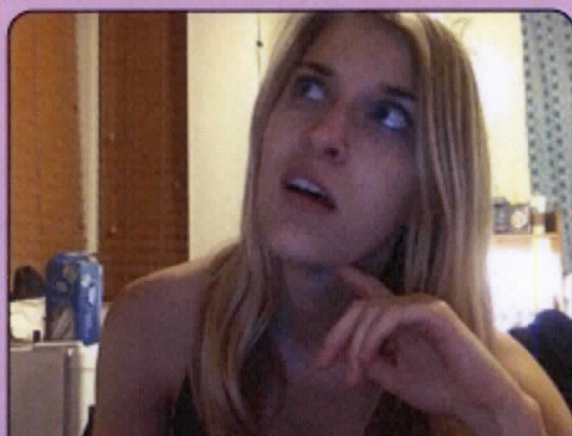

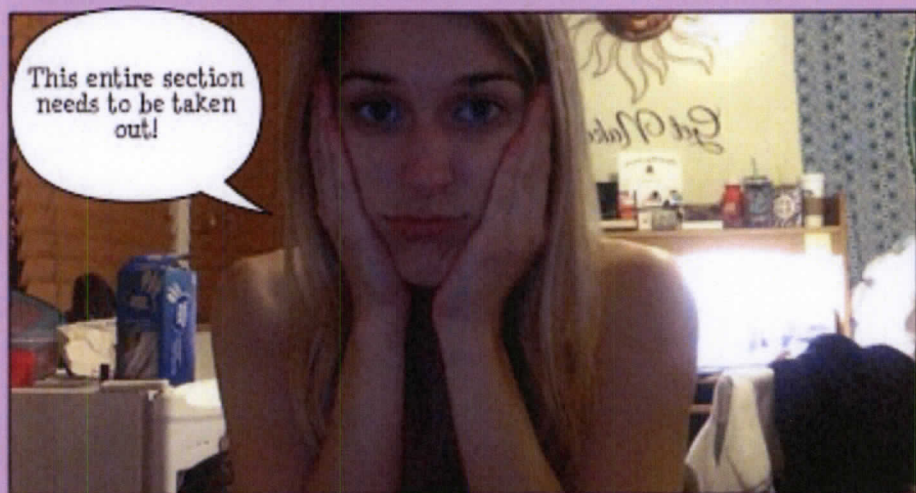

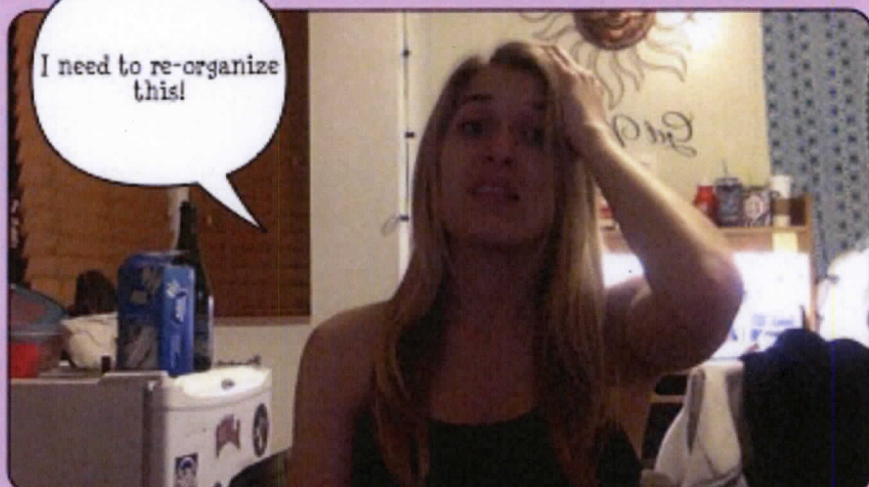

Lit Review

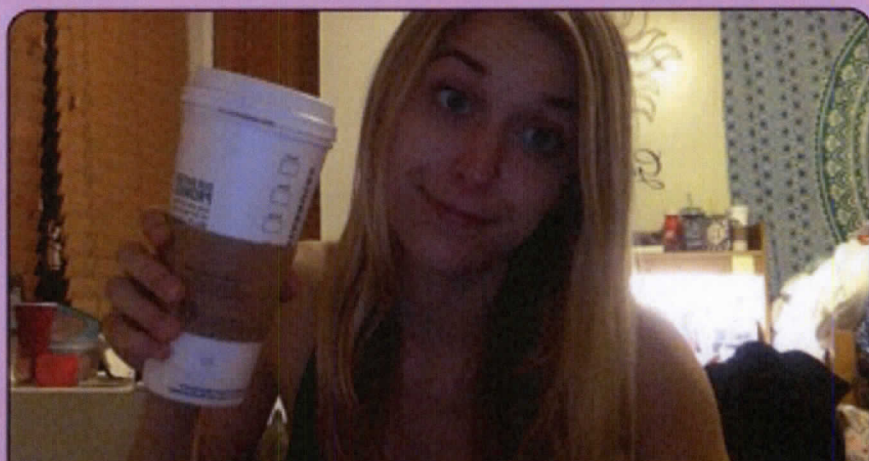

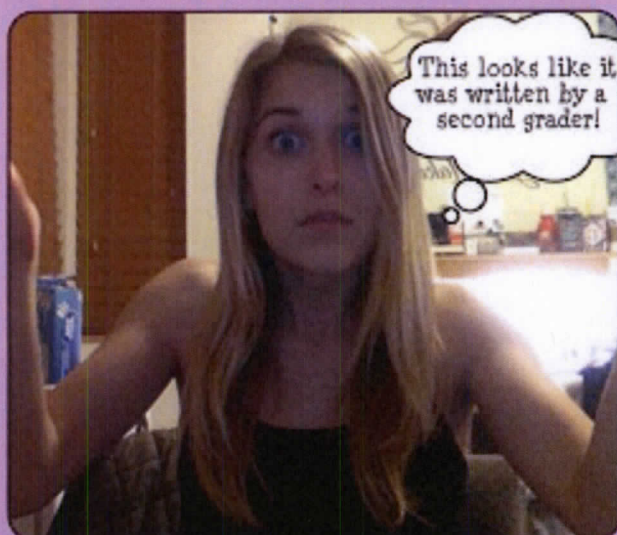

Lit Review

This paragraph makes no sense!

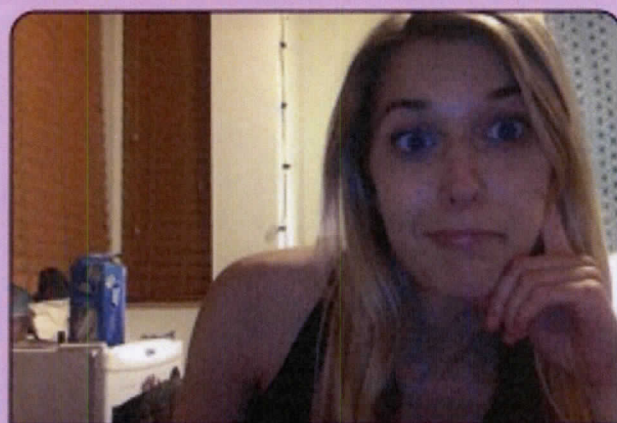

What did I mean by this?

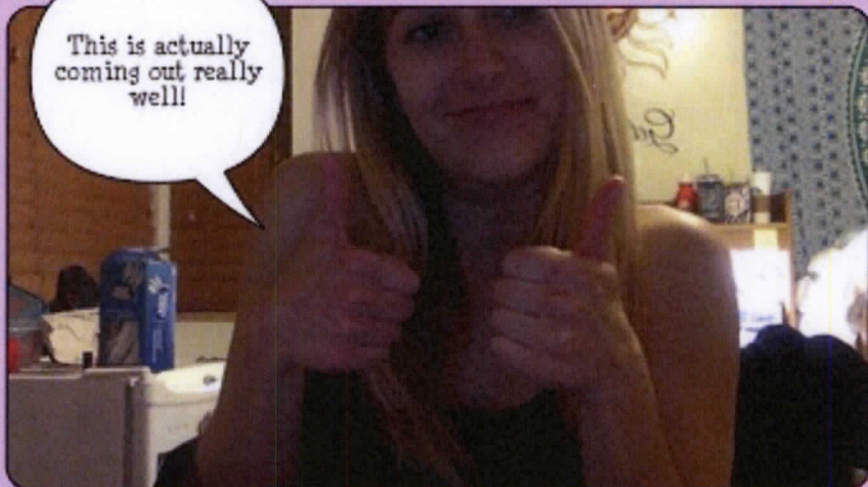

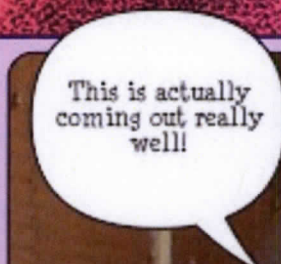

I will stay up all night if I have to to make this look great!

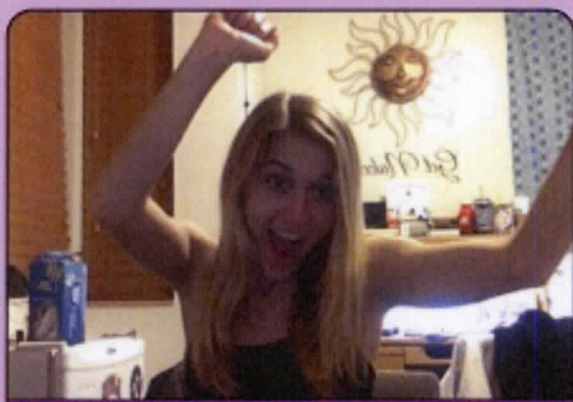

Lit Review

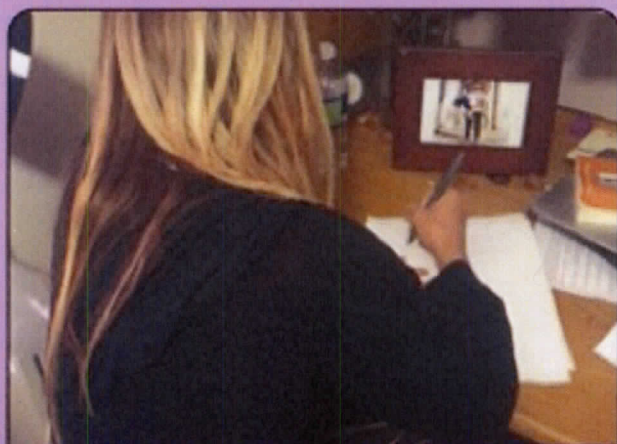

Wow I am actually pretty good at writing!

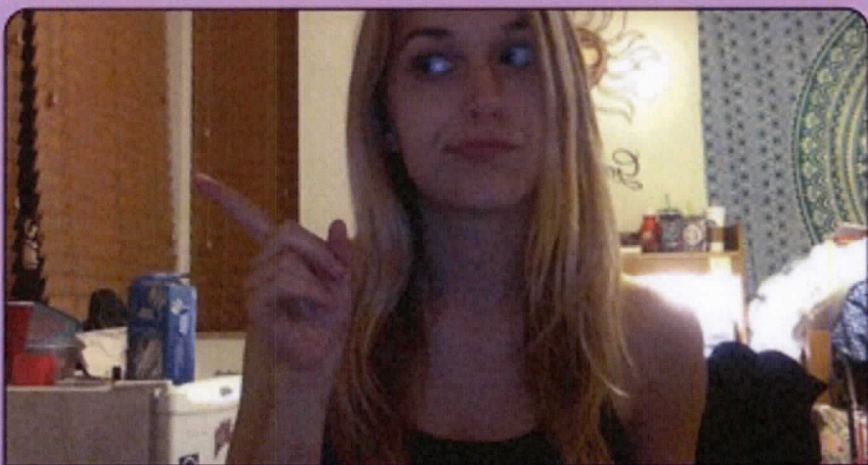

Hey I am on my last paragraph!

Okay so everything is written. I need to make sure that it starts broad and end up with a question?

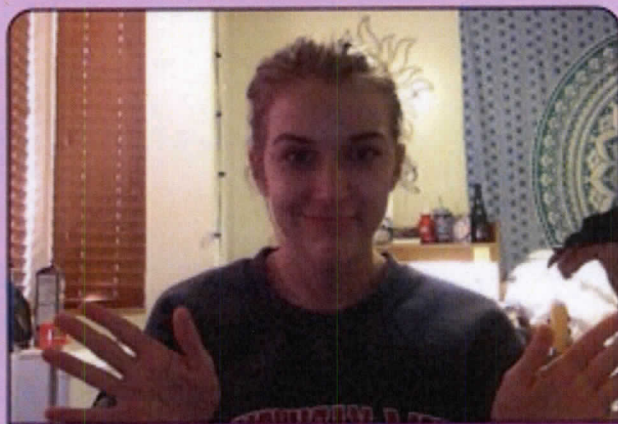

Yes! But I need to change my question because it is a little different than I first intended.

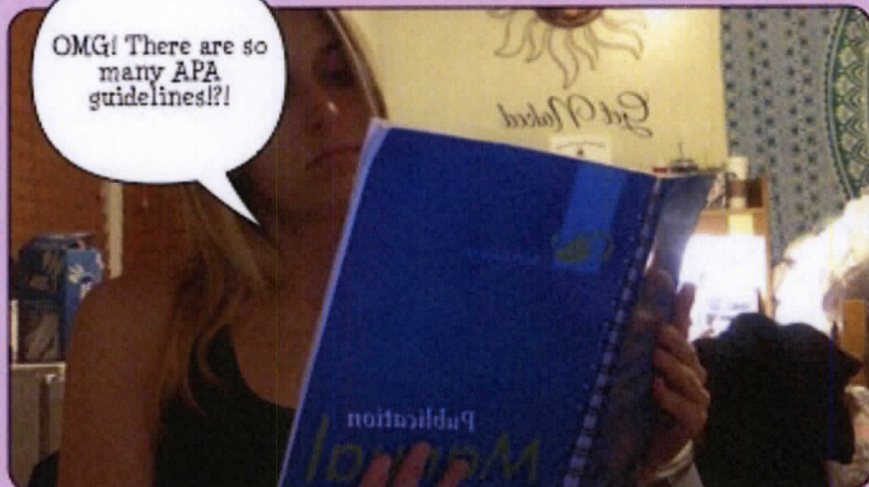

Now that the paper is written I need to focus on in-text citations, my reference list, and make sure the APA is looking sharp!

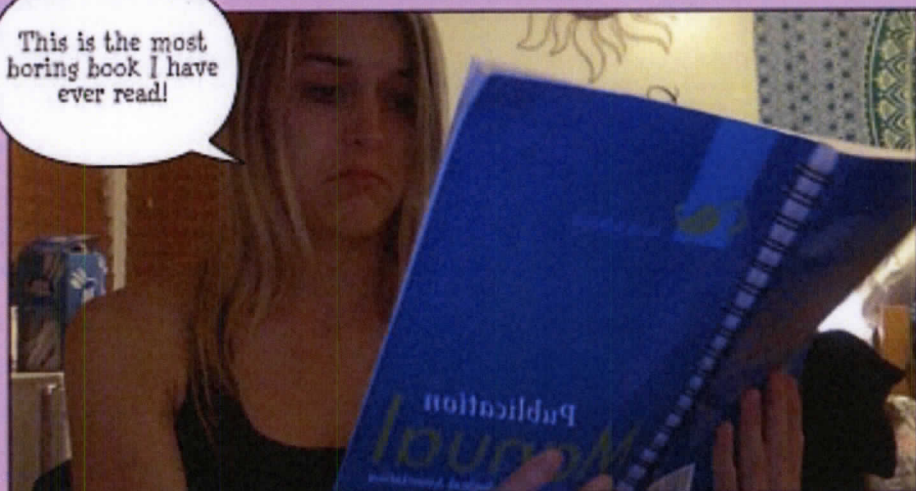

Lit Review

Let me just start on my in-text citations!

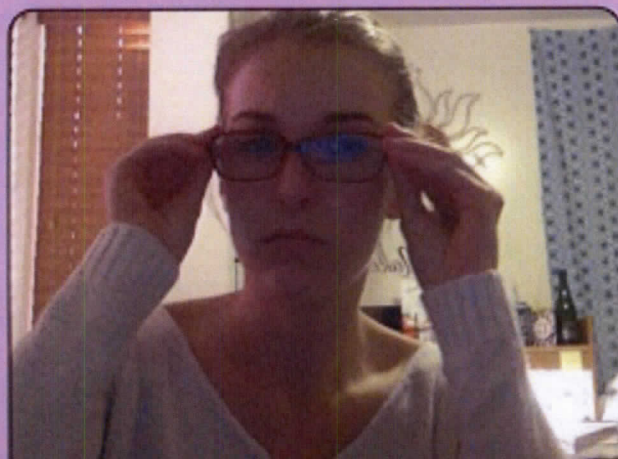

OMG! There are so many APA guidelines!?!

This is the most boring book I have ever read!

Okay now I actually understand APA's guidelines . . . I am going to do all my in-text citations.

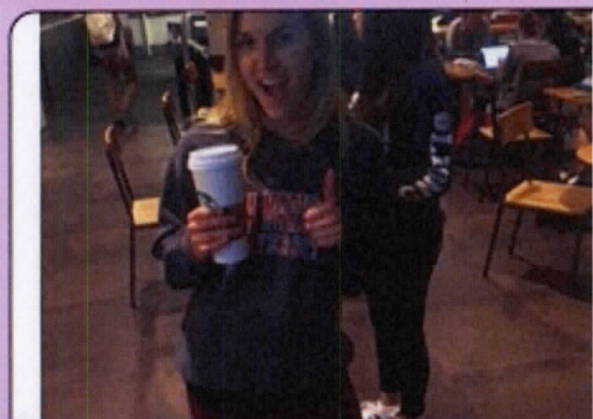

SO. MANY. IN-TEXT CITATIONS.

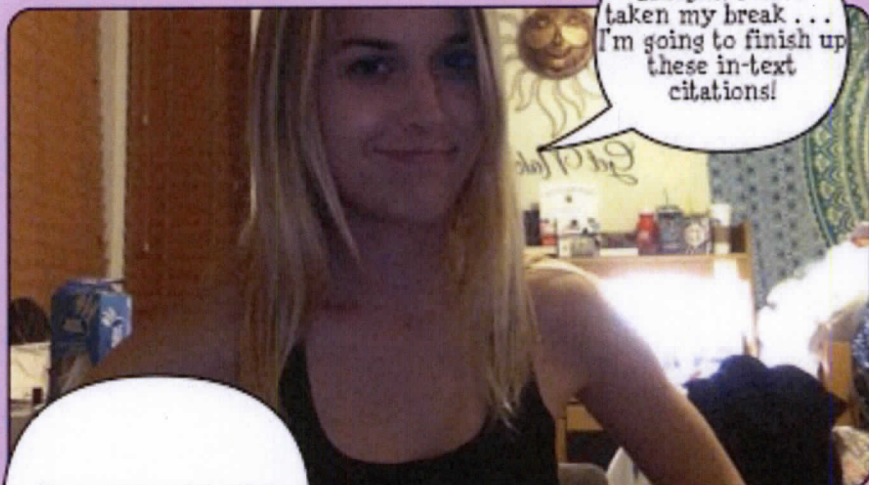

I need another tea break!

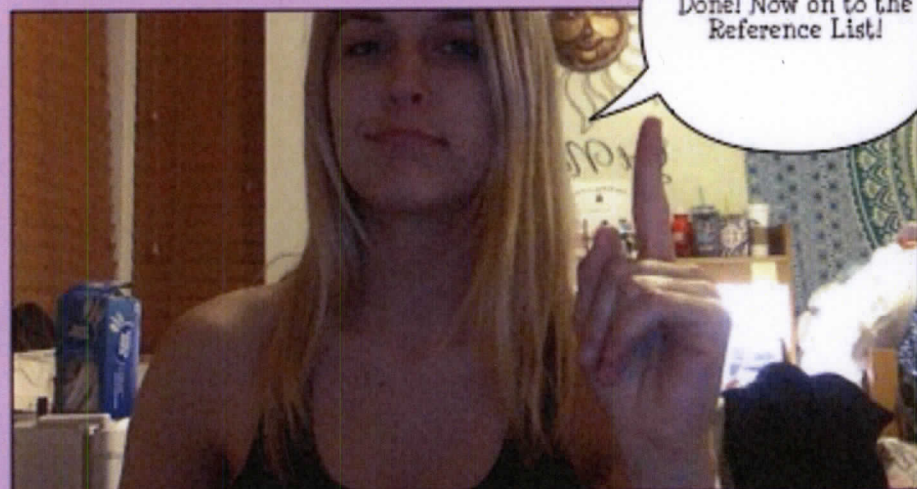

Lit Review

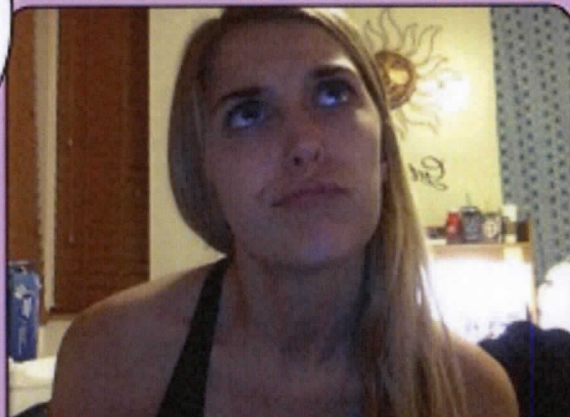

Tea always makes things better!

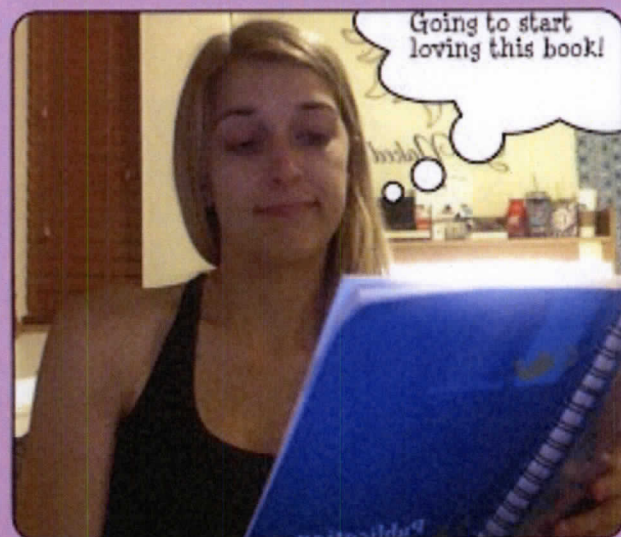

Alright, I have taken my break . . . I'm going to finish up these in-text citations!

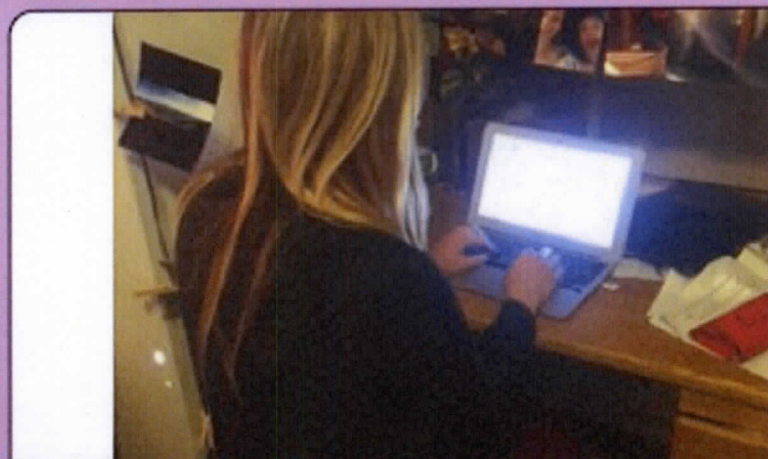

Done! Now on to the Reference List!

This is so overwhelming! There are so many articles. How do I reference these again?

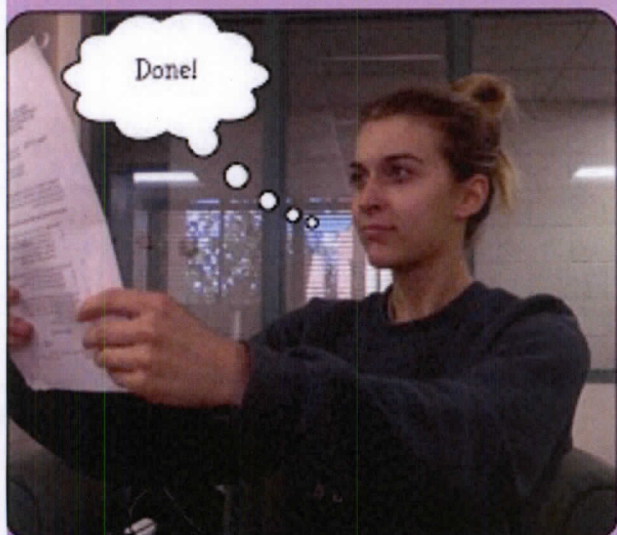

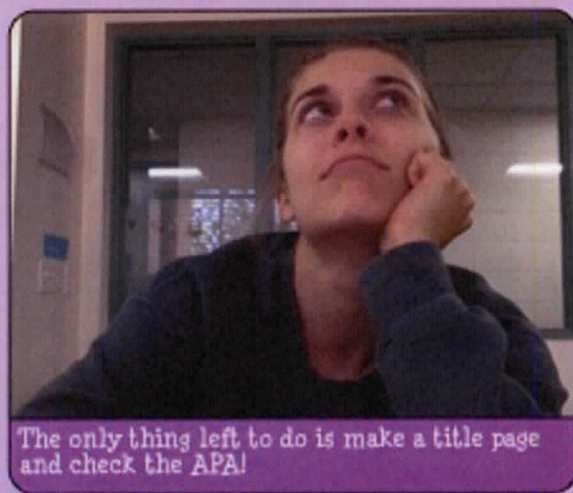

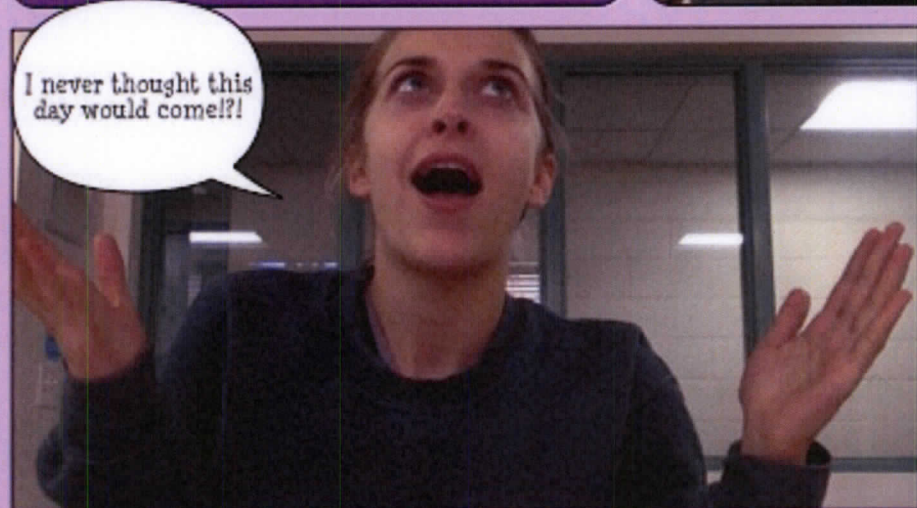

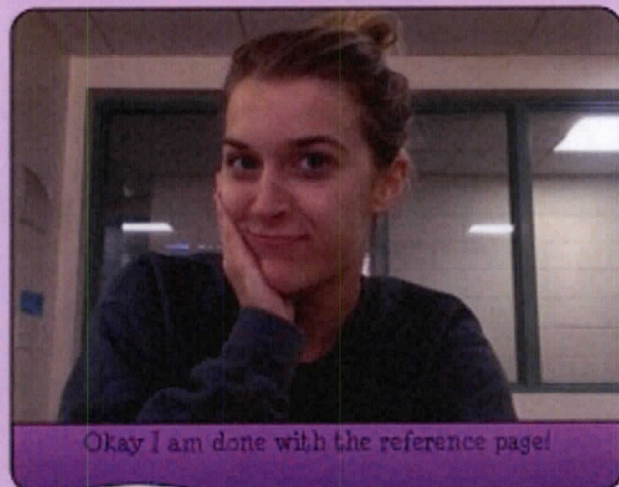

Going to start loving this book!

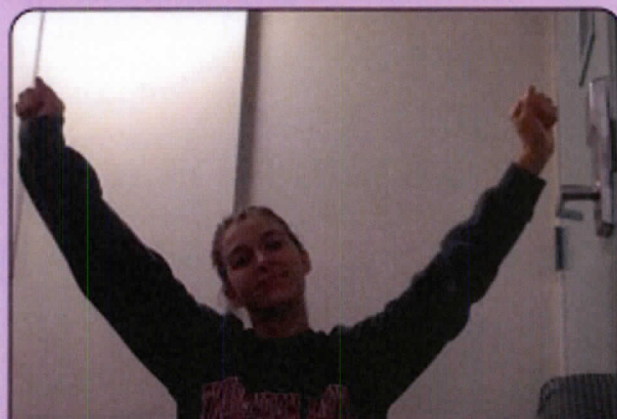

Okay let me try this . . . Hey it's actually not that bad after you get the hang of it!

Lit Review

Goodmorning!

I am off to the library!

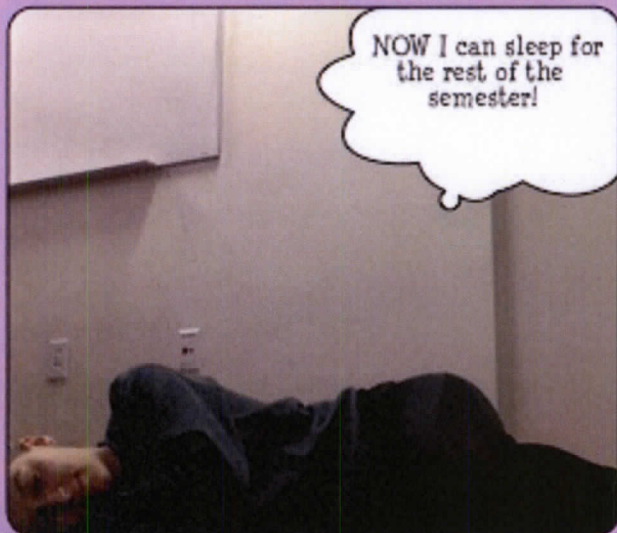

Yay! I can't wait to turn this in!

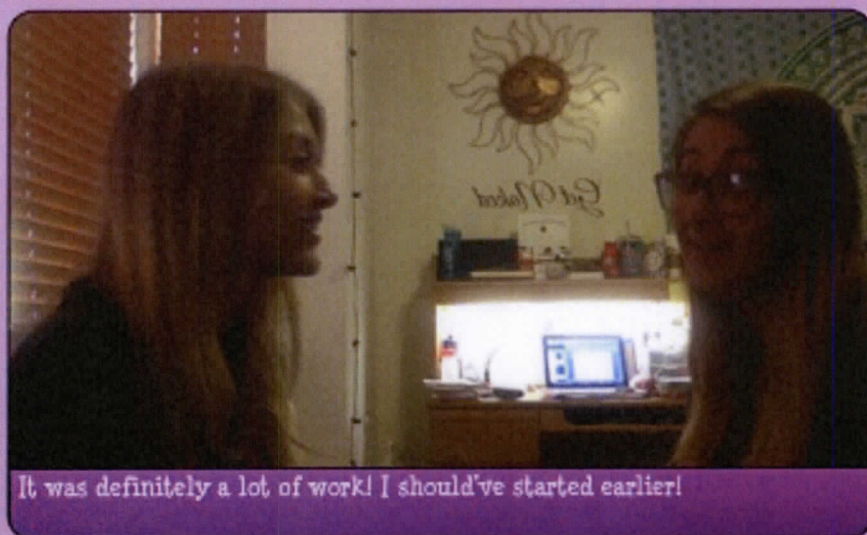

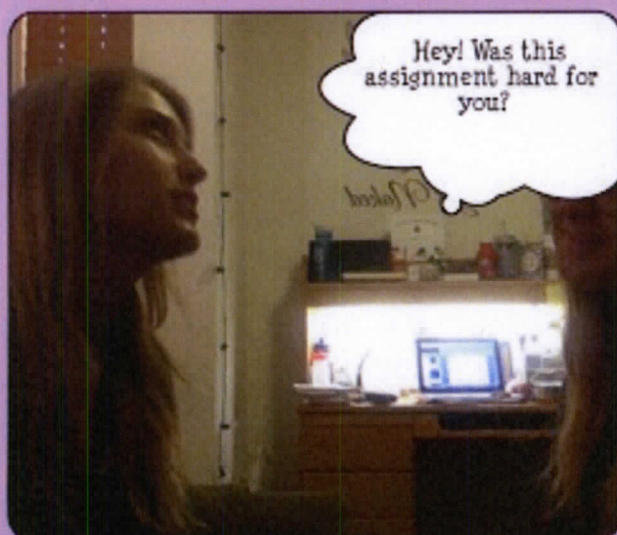

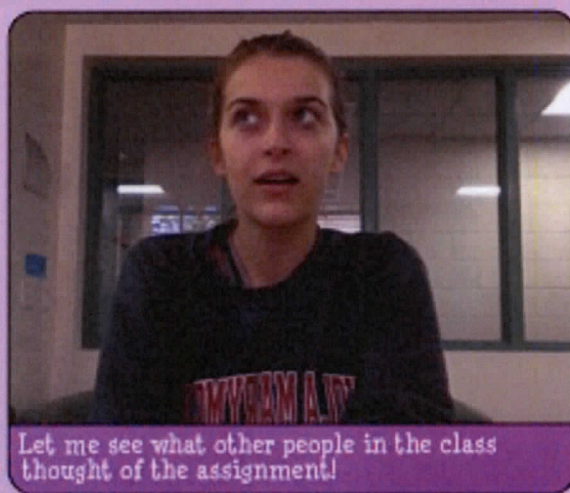

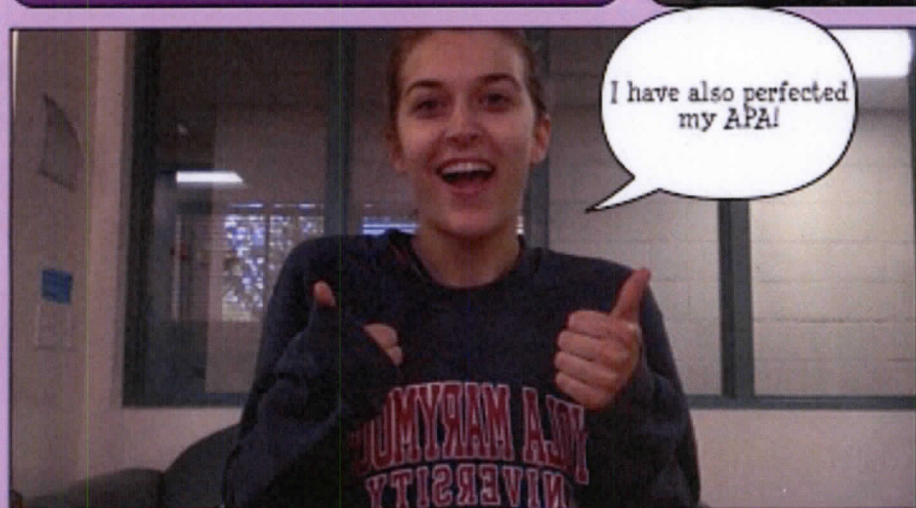

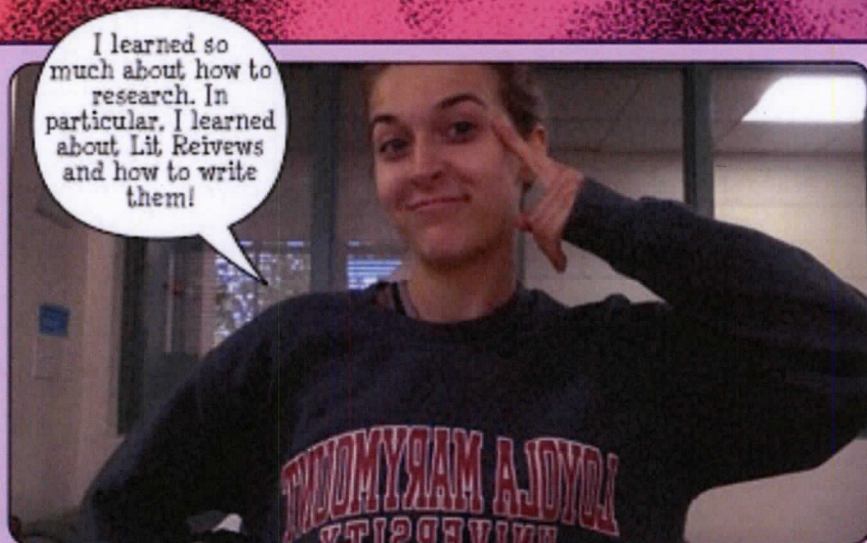

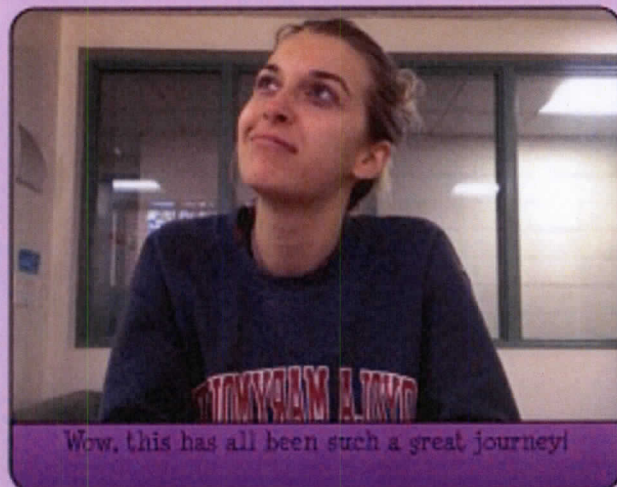

I am FREE!

NOW I can sleep for the rest of the semester!

Wait I have the INTERVIEW ASSIGNMENT DUE Soon! I won't start until a couple of days though because I need a break.

Lit Review

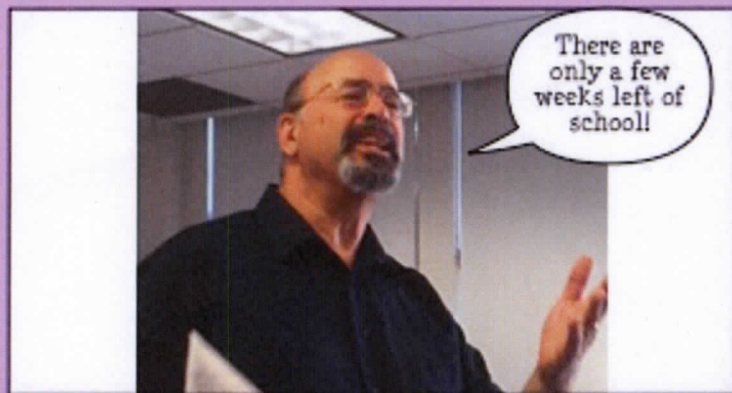

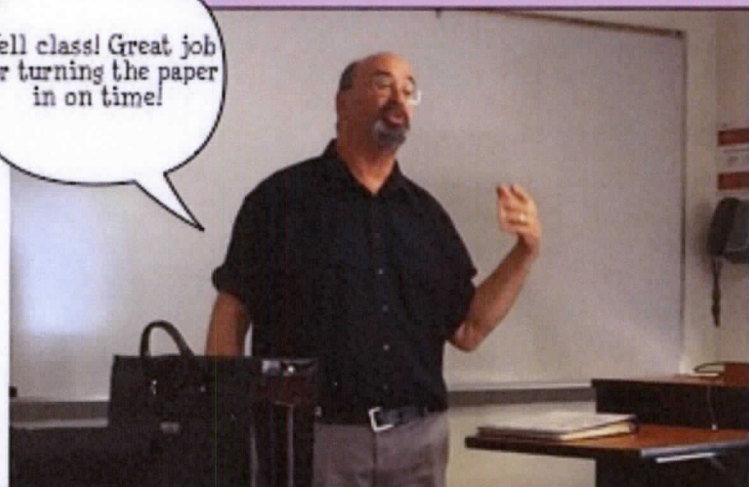

Super Story

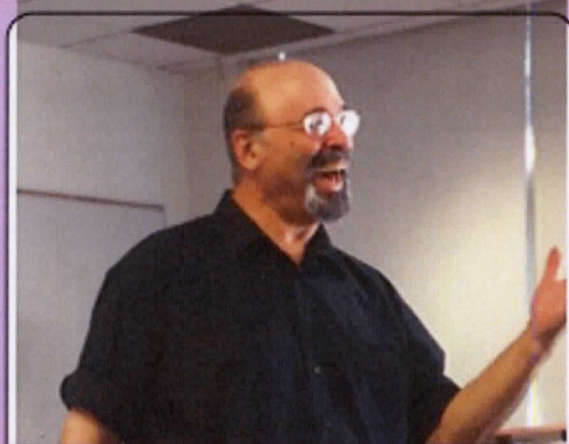

Seriously though, it definitely would have helped with the stress!

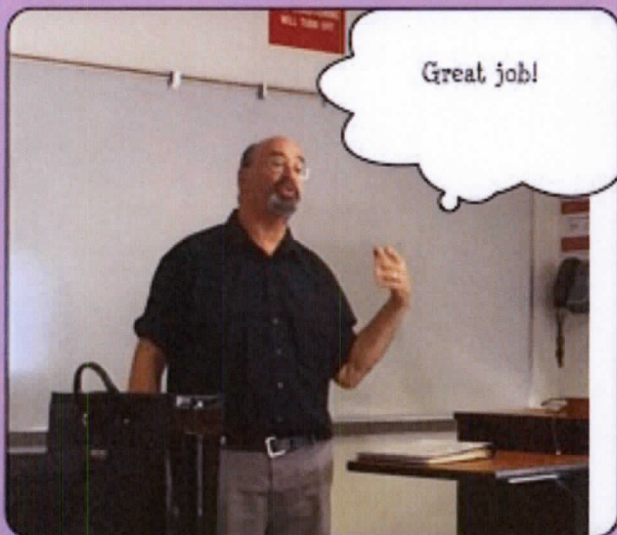

Well class! Great job for turning the paper in on time!

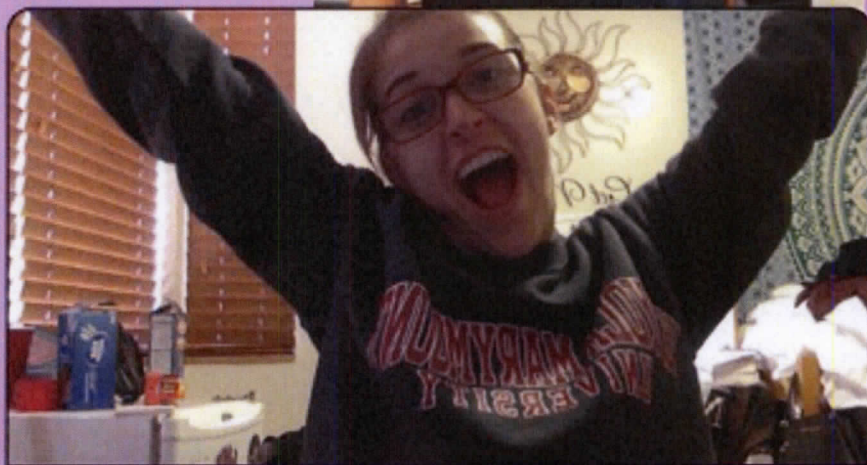

There are only a few weeks left of school!

The hardest part of the semester is done!

Great job!

Yay! What a great class!
