A MESSAGE FROM THE DEAN TO ALL STUDENTS:

There have been a number of disturbing incidents lately involving graffiti of a racist nature on the walls of the lavatories and also defacing posters. Obviously, the kind of person who would do this sort of thing has serious emotional problems and is not subject to rational argument. Equally obvious, is the fact that these are acts done surreptitiously and it would be very difficult for the law school staff to determine who the culprits are. I want to apologize on behalf of the entire law school community to all of those who are the objects of these malicious attacks. We shall, of course, eradicate them as soon as they are brought to our attention. Any student who sees something improper of this nature should immediately report it to Rhonda Tartaglio, in the Dean's Office, and we will see that it is removed promptly. I should also point out that activities of this nature not only may violate criminal laws, but are also clearly violative of the Loyola disciplinary code which forbids acts of "willful abuse of school property" as well as acts "involving moral turpitude, dishonesty or corruption...which reflects upon [a person's] moral fitness as a prospective member of the legal profession..."

NEW PROCEDURE FOR JULY 1983 BAR EXAM...The California Bar Examiners will be mailing a Law Certificate to each person who has applied to take the July 1983 Bar Exam. These certificates should be filled out and turned in to the Registrar's Office. Because of this new form and procedure, the Registrar's Office will NOT automatically send certificates for June and July Graduates as we had previously informed students.
