Monday, May 22nd, 2016: Fly out of Athens to LAX

Post-Grant Phase
From May 23rd through June 23rd, Ken Cavanaugh and I plan to stay at LMU as Orientation Leaders. During this time, we will devote two days each week to furthering the connections we made during the grant phase through Skype interviews, as well as reaching out to connection made through snowball sampling. We will each begin creating our individual products, while piecing together connections between our data to create a cohesive joint project.
**Budget**
