Lesson 9.1 Researching the Issue

Objective: In this lesson you will research a relationship between humans and dogs, then present both sides of the issue to your classmates. They will be asked to decide what side of the issue they are on based on the evidence you present.

Directions:

Get to know your issue. Read the card you are provided.

State the issue:

List questions based on your issue that you want to research as a team:

List the different sides to the issue for your presentation:

Benefits to humans:

Costs to humans:

Benefits to the dog:

Costs to the dog:
