CONTINUING THE CONVERSATION

INTRODUCTION

In the inaugural issue of *Catholic Education*, we affirmed that a primary editorial objective of the journal is “to foster a community of reflective dialogue.” Toward addressing this objective, we invite researchers and practitioners to submit brief articles that might foster a dialogue on any topic addressed in the journal. We will publish selected submissions in this section entitled Continuing the Conversation.

In this first conversation, James R. Biddle continues the discussion on character education initiated by Thomas Lickona and Sandra Yocum Mize in the Focus Section of the last issue (Volume 1, Number 2).

We encourage an ongoing dialogue with the feature and focus articles of the journal. As a general guideline, please submit a 1,000- to 1,500-word response within one month of an issue’s publication in order to ensure timely inclusion.
