FINANCIAL AID OFFICE

APPLYING FOR FINANCIAL AID/SCHOLARSHIPS FOR 1987-'88:

The California Student Aid commission is late distributing SAAC forms this year. Because of this delay, the '87-'88 financial aid application deadlines listed in the Spring '87 registration pamphlet are being rescheduled.

Financial Aid is awarded on an annual basis. Aid can only be renewed upon annual reapplication and as long as a student continues to demonstrate financial need.

1987-88 financial aid applications will be processed in a two-fold manner: Summer applicants and Fall/Spring applicants. To ensure maximum consideration for all possible avenues of funding, students are encouraged to begin the financial aid application process as soon as possible to comply with the required deadlines.

SCHOLARSHIPS

To be eligible for merit/need scholarships students must apply for financial aid and complete their applications by the Fall/Spring application deadline; dates are noted under the section pertaining to application procedure.

CALIFORNIA STATE GRADUATE FELLOWSHIP

(Deadline: Monday, March 2, 1987)

Fellowship awards are for partial tuition and fees based upon need and merit. Applicants are ranked competitively according to undergraduate grades, LSAT score, and consideration of disadvantaged background.

All students who are current recipients are required to apply for a renewal. In addition, all full-time day students who are not currently receiving State Graduate Fellowships are encouraged to apply if they are California residents and will be in their 2nd year of law school. Students must submit the Graduate Supplement along with the Student Aid Application for California (SAAC) by the deadline Monday, March 2. (Both forms are available in the Financial Aid Office.)

APPLICATION PROCEDURE

Students who plan to request funding for Summer Session should notify the Financial Aid Office, in writing, *immediately*. By doing so, the Financial Aid Office can prepare an individually designed application packet for a student. This should help minimize some confusion with regard to the necessary forms required from the student.

Individually prepared Summer Session financial aid application packets will be available for pick-up beginning Monday, February 2, 1987. Deadline for submitting the Student Aid Application for California (SAAC) will be Monday, March 2, 1987; all other basic documents will be due in the Financial Aid Office by Monday, April 20, 1987 at 6:00 p.m.

Those students who are not planning to attend classes during Summer Session but would like to receive funding for the school work programs (i.e., research assistants or other on-campus positions, and off-campus work-study positions), must comply with the deadlines outlined above. Students who are planning to apply for off-campus work-study positions must receive an eligibility award before accepting employment.

Summer graduates may apply for summer funding only; Fall graduates may apply for summer and fall funding; and non-graduates may apply for summer, fall, and spring funding.

Fall/Spring financial aid application packets, for students not applying for summer funding, will be available for pick up beginning Monday, March 23, 1987. Deadline for submitting the Student Aid Application for California will be Friday, April 17, 1987; all other basic documents will be due Wednesday, May 20, 1987 at 5:00 p.m.

PLEASE NOTE:

Applications will only be accepted in their entirety; all basic documents must be submitted at the same time and must be thorough and complete.

1986 federal tax returns must be prepared early enough to provide the Financial Aid Office with photocopies of signed tax returns with all schedules and attachments. This means that a student's financial aid award may be adversely affected if that student and/or his or her parent(s) file for an extension.

Applications submitted and/or completed after the set deadlines will not receive priority for available funds.

FINANCIAL AID WORKSHOPS

Workshops will be held to assist you with all of your financial aid questions as well as in filling out your forms.

Mon. 2/9	12 - 1	Fac. Conf.
Tue. 2/10	12 - 1	Fac. Conf.
" "	5 - 6	Casassa Rm.
Wed. 2/11	12 - 1	Fac. Conf.
Thur 2/12	5 - 6	Casassa Rm.

Before attending a workshop, please complete as much of the SAAC as possible. If you cannot attend a workshop but have questions, please feel free to go to the Financial Aid Office for assistance.

OFFICE HOURS

Office hours are Monday & Tuesday, 10:30 a.m. - 6:00 p.m. Wednesday & Thursday, 10:30 a.m. - 5:00 p.m. Closed Friday. Evening students may schedule appointments for hours other than those noted.

NATIONAL DIRECT STUDENT LOANS (NDSL):

NDSL promissory notes for Spring semester will be available for students on Monday, January 26 and Tuesday, January 27 from 10:30 a.m. to 6:00 p.m.

STUDENT WORKER CONTRACTS:

Any student who is currently working or planning to work on campus must have a valid Spring semester work contract. New contracts are now available in the Financial Aid Office for those students who previously notified the office of their working status. Timesheets will not be accepted from any student without a contract.

PLEASE NOTE:

Applications will only be accepted in their entirety; all basic documents must be submitted at the same time and must be thorough and complete.
