1. **Short -term housing:** In close proximity to the campus are a number of low cost hotels and motels in which one may stay while looking for permanent housing.
2. **Counseling:** Staff members are available to talk with students about the various areas of the city and what one may reasonably expect.
3. **Newspaper Library:** A library of many regional and local newspapers, updated weekly, is maintained for reference purposes.
4. **Real Estate Agents:** A listing is available of agents in many different parts of the city who have agreed to help students locate rental housing. Fees are paid by the landlord.
