FREE TAY-SACHS DISEASE TESTING

On Tuesday, October 20 from 11:00 a.m.- 2:00 p.m. in the Student Lounge, a free five-minute Tay-Sachs testing will be conducted by the California Tay-Sachs Disease Prevention Program. This testing is open to everyone, with the exception of pregnant women. Those wishing to be tested may call (213) 775-7333 for a special appointment.

Tay-Sachs is an inherited disorder causing destruction of the nervous system and death by the age of five. A child diagnosed as having Tay-sachs disease must inherit two recessive Tay-Sachs genes, one from each parent. Carriers are completely healthy and normal individuals. The carrier rate is approximately one in 150 in the general population and one in 27 in the Jewish population.

A simple blood test can identify healthy persons who carry the gene for this disease. This test is not available through private labs or physicians and is not included in the premarital blood test.

Please contact the Placement Office for further information.

The National Association of Broadcasters (NAB) announces its annual Minority Legal Fellowship Program for 1988-89. SUMMER EMPLOYMENT WITH FEDERAL AGENCIES

The 1988 Summer Legal Employment Guide is now available for review in the Career Planning and Placement Center. The Guide

lists summer job opportunities for law students with several hundred U.S. Government and international organizations (first-year students, i.e., first year day/second year evening, may be eligible for some jobs; a few will accept applications from third year students, i.e., third year day/fourth year evening, as well as second year students, i.e., second year day/third year evening). NOTE: Some deadlines occur as early as October, so act now!

OCI GENERAL INFORMATION

OCTOBER 1 firms cancelled due to the earthquake rescheduled as follows:

Friday, October 2
Department of the Navy
Los Angeles Public Defender

All interview schedules will remain as is (no new sign-ups). If you are unable to keep your original appointment or if you wish to cancel your interview, please let Center staff know as soon as possible so that the firm may be informed and make alternate arrangements, if they so choose.

FRUSTRATED because no one wants to hear what a horrible/great interview you had? We do! OCI Firm Evaluation forms are now available in the Placement Center. Come in and put your complements/gripes in writing-all evaluations are kept confidential.

Materials are still available for pick-up in the Career Planning and Placement Center. Please read the policies section beginning on Page 5; it contains important information.

Resumes are due at 10 a.m. on each deadline date throughout OCI.

Several new firms have been added to on-campus interviewing and have requested resumes from Loyola students. Please check the "Additions" list posted on the Placement bulletin board located both outside and inside the office for information and deadlines.

MISSED INTERVIEWS

Current OCI policy requires 24-hour advance written notice to cancel any on-campus interview. The Center requests that candidates attempt to allow 48-hour advance written notice in order to give alternates the opportunity to fill these spots.

Please be advised that students who miss without the minimum notice required jeopardize continuing with on-campus interviews. If you have signed up for interviews you do not intend to keep, come in now and cancel.

NOTICE REGARDING SUBMISSION OF RESUMES TO FALL OCI EMPLOYERS:

Please be advised that if resumes submitted for the Fall On-Campus Interview Program are found to be in violation of the policies regarding display of grade/rank/G.P.A., students must correct resumes immediately.

In order to submit resumes for remaining employers students must submit corrected resumes to the Career Planning and Placement Center: 10 copies to student file and one to each employer envelope which contains an incorrect resume. Students must notify Center staff when they submit corrected resumes.

Resumes which do not conform to policy will be pulled and students will be suspended from resume submission until the grade information has been corrected.

If you have any questions regarding this matter please contact the Director or Associate Director.
