WATCH-THINK-WRITE | PAIR-SHARE **POLLINATORS**

- **Step 1: WATCH-THINK-WRITE**

- **As you watch the video clip on pollination:**

- Observe how skilled pollinators are at carrying pollen from one plant to the next.
- Think about the vital role they play in the food supply (1/3 of the plants we eat are successful because of pollinators).
- Write in the space below the names of the pollinators you see in the video:

Pollinators I see ...

- **Step 2: THINK-WRITE**

- What other animals that were not shown in the video clip, might also be vital pollinators in our ecosystems on Earth?
- Write at least 5 you can think of. (2 minutes)

Other possible pollinators ...

- **Step 3: PAIR-SHARE**

- Turn to a partner and share. (2 minutes)
