# DIRECTORY

The Entertainment Law Journal Directory is intended to be an informative guide to entertainment-oriented law firms and studios, located mainly in California and New York. This Tenth Anniversary issue marks the expansion of our Directory to include East Coast law firms. The list is based on oral and written representations made in February 1990. We apologize for any omitted firms and welcome information from additional firms to expand the list in the future. There is no charge for placement in the Directory.

While we have worked to verify that all information is current, this Directory is meant to be only a guide. No claims are made as to the accuracy of the information printed.
