To assist practitioners, educators and students in the fields of international and comparative law, the ANNUAL is pleased to include an edited compilation of books and articles recently acquired by Los Angeles County Law Library.

The LIST is conveniently indexed by geographical and subject matter headings. An inclusive index of all subject matter headings is provided at the end of this year’s LIST. This SUBJECT MATTER INDEX will be used in future publications so that a review of present and past ANNUALS will provide the reader with a substantially comprehensive compilation of all publications concerning an indexed topic.

All titles of books and articles, as well as authors’ names, appear in bold typeface. The call numbers provided by the library have been provided for ease in locating a particular indexed work.

We gratefully acknowledge the assistance of Earl Weisbaum, ESQ., Foreign Law Librarian at Los Angeles County Law Library, in compiling and preparing this LIST.
